### *“Living The Life We Deserve”*

Welcome to the J. Brackett family. You're part of a contemporary lifestyle collective that values authentic living and the importance of developing your signature style.

J. Brackett was established to create accessories with a sharp, understated style that defines affordable luxury.

Our timepiece collections feature two distinct styles, both with high quality components and elegant designs: The Camden Quartz Collection and the Navigli Automatic Collection.

Let your individuality lead the way as you discover the world of J. Brackett...

...and start living the life you deserve

---

# J. BRACKETT COLLECTIONS

## J. BRACKETT - VERONA

Our Verona Miyota Quartz timepiece features a Japanese Miyota Quartz movement encased in stainless steel with a fluted bezel. The collection is designed with sharp dial colors, and has a selection of brown and black leather straps, or an intricately designed stainless steel bracelet.

### TECHNICAL SPECS

Strap: Genuine leather  
Buckle: Stainless steel  
Movement: Swiss Ronda GMT 515.24H  
Water Resistance: 10 ATM

# OPERATION MANUAL

## Ronda Caliber 505/515 Instructions

1. Pos. I Position of rest (watch running)
2. Pos. II Quick-change correction for date
  - a. The date can also be corrected during the day-changing phase between 10 pm and midnight. The date of the following day has to be set, because no automatic date change takes place at midnight.
    - I. Pull the crown out to position II (watch still running).
    - II. Turn the crown clockwise until the required date appears.
  - b. Quick-change correction for 24-hour display
    - I. Pull the crown out to position II (watch still running).
    - II. Turn the crown counterclockwise until the desired time appears.
    - III. Push the crown back into position I.
3. Pos. III Setting the time
  - a. Pull the crown out to position III (watch stopped).
  - b. Turn the crown, until the current time is displayed (remember the 24-hour cycle).
  - c. Push the crown back into position I.

# OPERATION MANUAL

## Cal.NH3 Series Instructions

1. After unscrewing counterclockwise, pull the crown out two clicks
2. Set the movement to AM hours by rotating the crown clockwise until the date indicator advances one position
3. Set the current time by rotating the crown clockwise
  - for AM hours advance the hands directly to the current time
  - for PM hours advance the hour hand one full rotation (12 hours) once prior to setting the time
4. Push the crown in one click to the middle position
5. Set the current date by rotating the crown counterclockwise until the correct value is displayed
6. Push the crown in one click to commence timekeeping
7. Manually wind the mainspring by rotating the crown clockwise 10 - 20 times

Note: Setting the time to AM / PM accordingly ensures that the date indicator changes at midnight rather than noon. If the date indicator is changing in the afternoon, advance the hour hand one full rotation (12 hours), then reset the date indicator as necessary.

# MANUFACTURER'S WARRANTY

## QUARTZ WATCH WARRANTY COVERAGE

J. Brackett provides two types of warranty coverage for all quartz watches: 1-Year Limited Warranty and a 2-Year Extended Warranty. Our factory warranty coverage protects you against any defects in material or workmanship. It also covers internal components and the quartz movement in all of our watches, under certain conditions.

Here's a breakdown of what is and isn't covered under the manufacturer's warranty:

	<b>1-YEAR LIMITED WARRANTY</b>	<b>2-YEAR EXTENDED WARRANTY - QUARTZ MOVEMENT</b>
Breakage or malfunction of the movement from manufacturer defects or workmanship	✓	✓
Breakage or malfunction of the case due to manufacturer defects or workmanship	✓	X
Faulty movement operation	✓	✓
Flaws not related to manufacturing defects	X	X
Batteries	X	X
Crystal	X	X
Bracelet/Clasp/Strap/Band/Buckles	X	X
Damage from regular wear/use	X	X
Incidental or accidental damage	X	X
Water intrusion-related damage	X	X
Damage from misuse or abuse	X	X
Disassembly or tampering	X	X

## AUTOMATIC WATCH WARRANTY COVERAGE

J. Brackett provides a 2-Year Limited Warranty on all Automatic watches. This warranty protects you against any defects in material or workmanship. It also covers components of the automatic movement and malfunctioning of the case, under certain conditions.

	<b>2-YEAR LIMITED WARRANTY - AUTOMATIC MOVEMENT</b>
Breakage or malfunction of the movement from manufacturer defects or workmanship	✓
Breakage or malfunction of the case due to manufacturer defects or workmanship	✓
Faulty movement operation	✓
Flaws not related to manufacturing defects	X
Batteries	X
Crystal	X
Bracelet/Clasp/Strap/Band/Buckles	X
Damage from regular wear/use	X
Incidental or accidental damage	X
Water intrusion-related damage	X
Damage from misuse or abuse	X
Disassembly or tampering	X

J. Brackett reserves the right to limit or reject any warranty repair or replacement if the problem is not related to a manufacturing defect or workmanship. Please contact us at [mail@jbrackettco.com](mailto:mail@jbrackettco.com) with any questions about warranty coverage.
